Air Canada Announces Non-stop Flights to Vancouver

In September, the Fort McMurray Airport Authority announced that Air Canada will begin year-round nonstop service between Fort McMurray and Vancouver on December 2, 2025. The route, operating three times weekly, provides direct access to one of Canada's busiest hubs and seamless global connections. "Vancouver has consistently been our region's top underserved destination, and our team has worked tirelessly to demonstrate this demand," said Denean Robinson, FMAA President & CEO. "Securing this service is a meaningful win that creates more choice and connectivity for our community."

YMM **PASSENGER** of the month

YMM Passenger of the Month

Congratulations to our October YMM Passenger of the Month, Tracy Buck!

Tracy recently flew through YMM with her husband Jeff and son Jacob to visit family in Ottawa. She shared, “Jacob is a pretty good little flyer, but the direct flight will be a game changer, allowing us to visit our eastern family more often.”

As part of her prize package, Tracy received tickets so Jacob and his dad can catch their very first Oil Barons game together - a perfect way to celebrate Jacob’s first year in minor hockey!

Winners receive a \$50 YMM Prize Package. To enter, scan the QR code airside and upload a photo of yourself or special travel companion, telling us why you love to Fly YMM.

Team YMM Spotlight on Nadeem Mian
