**Team YMM Spotlight on Thiago Oliveira**

Meet Thiago Oliveira. Originally from Rio de Janeiro, Brazil, Thiago Oliveira spent 24 years there before making Fort McMurray home. He came to the region through Keyano College on an athletics program, playing soccer for two years. After a season was disrupted by Covid, he joined Earls and is now the general manager and head chef at Earls YMM.

Fun fact. If you are flying out on a Thursday, you might be served by Thiago at 6 am and then find yourself sitting beside him on the plane. That early flight is his favourite way to sneak away for a quick getaway.

What Thiago loves most about working at YMM is the people. Serving regular commuters allows for real connections, and being the last stop before vacation begins means he gets to help set the tone for a great trip.

**COFFEE YOUR WAY**

**\$1 MEDIUM**

**Add a fresh brew to your day**

The advertisement features the Burger King logo in the top right corner. The main text 'COFFEE YOUR WAY' is displayed in large, bold, brown letters. Below it, the price '\$1 MEDIUM' is shown with 'MEDIUM' in a smaller, brown, sans-serif font. To the right of the text is a white paper coffee cup filled with dark coffee, with a small swirl on top. Next to the cup is a white creamer pitcher and a small wooden bowl containing white sugar cubes. The background is a light beige color with horizontal stripes.

## Community In Focus

In January, our Community in Focus display highlighted Swamp Rat Experience, a local non-profit theatre company bringing storytelling, learning and creativity to Fort McMurray Wood Buffalo.

The showcase featured their upcoming season and ways to get involved, from workshops to auditions and live theatre.

Travelling through YMM soon? Take a moment to explore the display. Organizations interested in a future Community in Focus feature can email [info@flyymm.com](mailto:info@flyymm.com).
