Arrivals Curb Refresh

Have you noticed the fresh new look along the arrivals curb at YMM?

A big thank you to our incredible Maintenance team for the care and hard work they've put into refreshing the landscaping. From new grass to a cleaner, more welcoming entrance, their efforts help create a great first impression for everyone arriving at our airport.

Thank you for everything you do to keep YMM looking great!

On the Runway

We were thrilled to welcome Mrs. Randell's Kindergarten class from Good Shepherd Catholic School for a behind the scenes tour of YMM!

Students explored the terminal, learned how the airport operates and tried our new interactive gaming console in the Observation Area.

A big thank you to the students, teachers and Team YMM members who helped make the visit a success. We always enjoy sharing the excitement of aviation with the next generation.
