Fly  YMM

On the Runway

A little behind the scenes action from August! Our Firehall and Airport Maintenance team members Jeff, Jack, Kaitlyn and Nathan completed annual flow testing, an important part of keeping our equipment ready and ensuring we're prepared when it matters most.

YMM Volunteers Win Award

Congratulations to our YMM Volunteers on receiving the Group Volunteerism Award, presented by FuseSocial!

We couldn't be prouder, although we can't say we're surprised. Our YMM Volunteers are an incredible group of people who generously give their time, energy and enthusiasm to support passengers travelling through our terminal, and promote flying YMM at special events in the community.

A well deserved recognition for an amazing crew. Congratulations, YMM Volunteers!

Congratulations to Tay & Friends, our Sept. YMM Passengers of the Month!

"It's such a stunning airport and it was a star highlight of our trip. 5/5!"

Scan the QR code in the terminal next time you're travelling through our airport, and tell us why you choose to Fly YMM, for your chance to win.

AWARENESS + ACTION ENDS HUMAN TRAFFICKING.

Community In Focus

Last month, we were proud to shine our Community In Focus spotlight on Big Brothers Big Sisters of Wood Buffalo, celebrating the meaningful impact they make in the lives of local children and youth through mentorship.

Their display also helped spread the word about the 16th Annual SMS Equipment Wine Auction, an important fundraiser supporting their programs right here in our community.

Thank you to the Big Brothers Big Sisters team for all you do for Wood Buffalo!

Team YMM Spotlight

Our summer students have been cleared for takeoff!

Last week, Matthew and Aly wrapped up their summer internships.

Matthew worked with our Facilities team alongside Manager Adam Lo Bianco, while Aly joined our IT team alongside Manager Eric Omoruyi, both gaining a behind the scenes look at what keeps YMM running each day.

As Aly heads back to his studies, we wish him all the best. Matthew, meanwhile, is staying with Team YMM on an extended contract while continuing his education.

Thanks for a great summer, Matthew and Aly!
